On 2nd April 2024 Faculty of Engineering and Technology conducted, a resume writing workshop. External expert Mr. Shantanu Singh Shekhar, Director of Educandor Pvt. Ltd., conducted the session.

The workshop was highly engaging, with students participating enthusiastically. Mr. Shantanu systematically defined and executed each step of the resume writing process, making it easy for students to take forward themselves.

During the workshop, a wide range of resume and CV samples from Google to leading companies were exhibited, providing students with valuable insights into effective resume writing. The workshop effectively conveyed the importance of crafting a compelling resume.

Additionally, Mr. Shantanu introduced students to various online platforms, such as Canva and other tools, and guided them in using these tools to create their resumes. By the end of the workshop, students had successfully created their own resumes, highlighting the practical and hands-on approach of the session.

Overall, the workshop was a valuable learning experience for students, equipping them with the necessary skills and tools to create professional resumes that can make a strong impression on potential employers. The workshop was successfully coordinated by Dr. Rashmi Kaushik, Mrs. Pratibha Sisodia and Mr. Sudhanshu Vashistha.
