**A Seminar Report on**

**'Current Scenario of Technology and Job Status in Current Market'**

**(22<sup>nd</sup> March 2017)**

A Seminar was organized by Faculty of Engineering & Technology on 22<sup>nd</sup> March 2017 on ***Current Scenario of Technology and Job Status in Current Market.***

**Purpose of the workshop**

This seminar is designed to assist students in their employment search by keeping the current status and requirements in to account. The current technology driven scenario is being the major area of emphasis. Students meet with professionals in round table discussion groups; learn about the day-to-day activities in these industries, how to network and job search, how to keep your network alive, and how to be successful in internships and in early career.

**Participants of the workshop**

114 participants have attended the workshop out of 242 registrations and get benefitted in terms of current trends in the said field.

**Keynote Speaker:** Mr. Shrey Sharma, CEO Cyntexa Ltd.

**Seminar Contents**

Students meet with professionals in round table discussion groups; learn about the day-to-day activities in these industries, how to network and job search, how to keep your network alive, and how to be successful in internships and in early career.

Students understand the current scenario and utility of technology richness in job market these days. They also leverage the interview tips by participating in mock interviews.
