

Circular

Date: 24th November 18

This is to inform to all faculty members of Engineering & Technology to encourage all students to participate in two days workshop on **“Awareness on Project Internship Opportunities in Industry”** to be held on November 27-28, 2018. This workshop is really useful for all the students to learn about the various opportunities of internship in industry.

Two Days Workshop on
AWARENESS ON PROJECT INTERNSHIP
OPPORTUNITIES IN INDUSTRY

27-28th November, 2018

Schedule

Timing	Activity
27th November 2018	
10:30AM	Welcome of Guest
10:35AM	Lamp Lighting
10:40AM	Welcome address by VC Sir
10:45AM	Inaugural Address by Prof. Vivek Sharma, Dean FoE&T
10:50AM	Opening Remarks by Speaker
11:10AM	High Tea
11:30AM	Workshop
01:00PM	Lunch Break
02:00PM	Workshop Continued
03:30PM	End of Day 1
28th November 2018	
10:30AM	Start of Day 2
11:00AM	High Tea
11:30AM	Workshop
01:00PM	Concluding Remarks
01:15PM	End of Workshop

About the Speaker

Dr. Mahendra Pratap Singh is a Professor in the Department of Mechanical Engineering at Jaipur Engineering College & Research Centre, Jaipur, India. He has published two patents and 32 papers in scopus & reputed journals and conference proceedings. He has authored four books with LAP AMBERT Academic publishing and Ashirwad Publisher .He holds a Master degree in Manufacturing System Engineering from MNIT, Jaipur (India) and a PhD degree from Jagannath University Jaipur (India). He has guided three PhD and 27 M.Tech Students. He has organized Three International conferences and four national conferences. He has life membership of IAENG and ISTE. He has organized and attended 14 Workshop and Faculty development programme of AICTE and NITTTR. He is NBA in charge of JECRC College and his department is NBA accredited in his leadership. He has also actively involved in NAAC visits. He has presented 28 research papers in different conferences. He has chaired the sessions in different international and national conferences.

Introduction

The rise in global competition has prompted organizations to devise strategies to have a talented and innovative workforce to gain a competitive edge. Developing an internship policy is an impactful strategy for creating a future talent pool for the industry. The Internship program not only helps fresh pass-outs in gaining professional know-how but also benefits, corporate on fresh perspectives on business issues and even discovering future business leaders.

Objectives

This workshop is to create awareness about the various internship programs offered by AICTE, industries, Govt. institutes etc. Internships are educational and career development opportunities, providing practical experience in a field or discipline. They are structured, short-term, supervised placements often focused around particular tasks or projects with defined timescales. An internship may be compensated, non-compensated or some time may be paid. The internship has to be meaningful and mutually beneficial to the intern and the organization.

Benefits of this workshop

Following are the intended benefits of this workshop:

- Will aware Technical students about the industrial environment, and hence creating competent professionals for the industry.
- Provide various possible opportunities to learn, understand and sharpen the real time technical / managerial skills required at the job.
- Exposure to the current technological developments relevant to the subject area of training.
- Experience gained from the 'Industrial Internship' in classroom will be used in classroom discussions.
- Create conditions conducive to quest for knowledge and its applicability on the job.

Participants of the workshop

This workshop brings a lot of knowledge for aspiring students of Engineering and Technology. 94 participants have attended the workshop out of 124 registrations and get benefitted in terms of current trends and research in the said field.
