

Department of Engineering & Technology

Circular

Date: 15th March 19

This is to inform that Department of Engineering & Technology is going to organize a **Workshop on "Concrete Mix Design"** on 18th March 2019 at Seminar Hall, A- Block Chaksu Campus at 02:00PM.

All faculty members of the department are requested to encourage all students to attend the event without fail. The Brochure is enclosed for your reference.

A Report of Workshop on

'Concrete Mix Design'

(18th March 2019)

Department of Civil Engineering and Faculty of Engineering & Technology organized a one day workshop on Concrete Mix Design for students held on 18th March 2019.

Workshop Timing: 10 AM to 5 PM

Purpose of the workshop

Purpose of the workshop is to equip students with the updated knowledge of ongoing mix design practices in construction fields; civil department has organized a one day workshop on Concrete Mix Design.

Participants of the workshop

65 participants have attended the workshop out of 67 registrations and get benefitted in terms of knowledge on the said topic.

Venue of Workshop: Wonder Cement Laboratory, Malviya Nagar, Jaipur

Key note Speaker: Er. Amit Mathur, Technical Support Manager, Wonder cement

Workshop Contents

Workshop on Concrete Mix Design

In India the cement industry underwent a number of changes and reforms mainly to suit the demands of construction industries. This leads to the production of high quality cement. Concrete with higher strength is always in demand. The mechanical strength of concrete depends on proportioning of its ingredient materials; cement, sand, aggregate, water and admixtures. This

proportion directly and indirectly affects the fresh and hardened properties of concrete. The following topics were covered in the workshop:

- Economic usage of high quality cement.
- Ordinary Portland cement (Physical and Chemical Properties)
- Aggregates for mortar and concrete
- Batching and mixing of mortar and concrete ingredients
- Quality control of concrete works
- Testing of concrete

Participants attending the workshop (18.03.2019)
