Dear Ms. Swati Chaturvedi,

This gives us great pleasure in associating with you for the online branding activity for our upcoming
SPRING-SUMMER COLLECTION 2018. We want to finalize and upload the visuals by first week of March

2018. The deliverables at your end would be:

1. Designing the product visuals with reference to the model, and accessories.
2. Giving feedback on increasing the website traffic.

We look forward to a mutually beneficial association.
