Dear Sir,

We take this opportunity to congratulate your University on successful completion of the training session on "MATLAB-Technical Computing Solution" held on 10-11 Aug 2018, for ServX, ASAN technologies, New Delhi, as discussed.

We are happy to share that the session was successfully conducted and was well received by the participants of the training program. Contribution of session resource persons Mr. Sudharshan K. Jain and Mr. Sudhanshu Mathur are worthy of special mention. Their knowledge on topic related technical and practical issues will certainly help serve the purpose of conduction of the training program.. Please convey our appreciation.

We are happy to get associated with your organization for this project. Wishing you the best in your future endeavours.

Best Regards
