ANNUAL E GOVERNANCE REPORT (2019-20)

✦ EXAMINATION:

Our university has automation of examination to an extent of filling up of examination forms, revaluation forms, obtaining hall tickets etc. and is in the process to do complete automation of the examination process through ERP.

Online examination platform like Mettle, HireMee and Digi Proctor are being used by the university for the purpose of online examination and evaluation. Utmost secrecy and confidentiality is being maintained while handling examinations.

✦ ALUMNI:

To strengthen alumni interactions, a separate alumni portal has been started which provides facilities like registration, achievements of alumni, sharing of feedback and other related aspects.

Alumni E Magazine "Alma Konnect" has been launched for sharing information about growth and development initiatives of the University.

✦ E LEARNING:

The University has developed an in-house LMS which is used for administration, tracking and recording of details of classroom learning, sharing of e-content etc. The teachers apart from using Google Classroom for sharing learning material with the students are working on LMS.

To ensure the quality of teaching delivery, guest lectures and other co-curricular activities, University is taking services of interactive platform i.e. Zoom

Video lectures of selected teachers are made available on website of the University. Jagannath University has it's You-tube channel, where recording of all the webinar, FDP, Conferences and Seminars are available for students.

The university SWAYAM NPTEL Local Chapter for MOOCs in association with IIT Kanpur has been established. Appropriate training to the staff and the students for using the e-learning resources is being provided time to time.
