

Alumni Expert Talk – 18 Jan. 2024

Report:

The Pharmacy Department successfully organized an Alumni Talk on January 18, 2024, from 02:00 pm to 03:30 pm. The event featured a distinguished alumni guest lecturer, focusing on **"Future Trends and Career Opportunities in the field of pharmacy"**. The coordination of the guest lecturer was overseen by Mr. Naveen Jain (Associate Professor), Mr. Yogesh Kumar (Assistant Professor) and Ms. Akansha Bist (Assistant Professor). The event was honored by the presence of **Dr. Renu Bagoria (Dean Alumni)**.

Dr. Renu Bagoria, in her role as the Dean Alumni, commenced the program by introducing the guest speaker, Mr. Amit Audhicya, an alumnus. She elaborated on the functionality and responsibilities of the alumni cell. Throughout the event, students from the pharmacy department actively engaged with Mr. Amit Audhicya, gaining motivation for their future endeavors and sharing their perspectives on the university.

The event concluded with a vote of thanks from Mr. Naveen Jain (Associate Professor), expressing gratitude to all students, the Dean Alumni, and the entire faculty for their presence and contributions, ultimately making the event a success.

The Event

Alumnus Mr. Amit Audhicya commenced his presentation by providing a concise overview of the pharmacy field, highlighting its Future Trends, and outlining Career Opportunities across research, academia, and industry sectors. During the session, Mr. Audhicya actively engaged with students, offering valuable career guidance on higher studies and placements.

The interactive segment involved the alumnus addressing students' queries, providing insights into current job opportunities, and offering advice on how to prepare for aptitude and technical interviews. This dynamic interaction fostered a positive and productive session between the alumni and students.

The event garnered a substantial number of responses from students, reflecting their keen interest and enthusiasm. Witnessing the creativity and innovation displayed by the students during the session was indeed a rewarding and enriching experience for all involved.

Learning Outcomes

This activity helped the students to get knowledge about scope and Career Opportunities in field of pharmacy.
