About the Event

In these times, while we are combating the crisis that has precariously driven us to the edge of our existence, we at the Faculty of Law, Jagan Nath University are committed to a show of cooperative and collective resilience. We have planned to organize the **National Moot Court Competition on April 15-17, 2023**, to provide an opportunity where aspiring lawyers can enhance their legal proficiencies and mooting skills with a unique concept. We are looking for the participation of law students enrolled in the 5-Year (integrated programme) and 3 years LLB programme with the aim to inspire, promote, and inculcate drafting & writing techniques, oratory skills, and research skills. The competition strives to give a platform to the budding lawyers to imbibe analytical skills in real-time situations. The aim is to engage students and allow them to have first-hand experience with the complexities of the law.

NATIONAL MOOT COURT COMPETITION, 2023

Moot Proposition

National Moot Court Competition 2023

State of Hannaha

Vs.

Kalvin Showl

Kalvin Showl, 30 years old smart, the handsome drummer was doing a show at Hannaha on 8.2.2020. While he was performing, a girl named Anny, 16 years old jumped onto the stage and hugged Calvin and then was given a paper on which her phone number was written. While the guards were taking her down, she made a gesture, 'to call' to Calvin.

On 15.2.2020 Calvin, 'Just Up' Anny for asking her on a date at the coffee shop at 4.30 evening of the same day. She came there and had coffee with Calvin. She was very excited and felt very special as a celebrity asked her on a date.

After that, they started meeting frequently at hotels, bars, and coffee shops. On 17.4.2020 Anny took Calvin to her home for meeting her father, Mr. John. On the same evening, her father asked her to leave this guy, he is not a good guy. But Anny refused to do so. She said, "he is my boyfriend, and I can't live without him". Then after things were good among them and Anny was very happy with all this.

On 30.8.2020 Anny suddenly entered the house and went to her room and forcibly shut down the door of the room. Her mother and father panicked. Her mother knocked on the door and requested one hour to open the door. After that, she unlocked the door and her mother alone entered the room and tried to ask Anny about her mood. On asking, Anny started crying and

NATIONAL MOOT COURT COMPETITION, 2023

told her mother that Calvin use to torture her, he used to beat her with belts, shoes, and anything that come in front of him. Sometimes he also put the burning cigarette on her privates.

Her mother got shocked and counselled Anny, 'Calvin is not a good guy, just leave him'. Anny was listening to her mother carefully but did not say even a single word. On the third day of this incident, she again went to Calvin to meet him. On coming home back, her mother slapped Anny and locked her in a room, and said, "If you came out of the room, I'll Kill you". After that, she went to a psychiatrist for an appointment for Anny. But on the same night, she ran away from the window of the room on the second floor of the house.

Her mother and father tried to search for her but failed to find her. Both of them came back home and Mr. John said to his wife, "let her live her life".

On 18.9.2020 Mr. John and his wife were having breakfast and reading the newspaper. Mr. John received a phone call from Hannaha Police Station, SHO told him, "A dead body was found in 6 pieces near the railway track".

Mr. John immediately went to the police station and recognized the body of Anny. Police registered an FIR under 302 MPC and sent the body for Post Mortem.

On the very next morning 'Sky High', an NGO started a protest demanding a CBI inquiry and the death penalty for Calvin.

On 22.9.2020 postmortem report came which stated, Anny was gang rapped and cut into pieces with a sharp edge weapon. Many bruises, struggle marks, and rashes were found on the body. Some old injury scars were also seen on her body and she had consumed alcohol before her death.

SHO, Hannaha police station Mr. Richard arrested Calvin from Vella (another city 800 km away from Hannaha). Court granted 4 days of police custody. On 23.9.2020 Calvin confessed in police custody that- "I want to get rid of her. So, I harassed her".

On 24.9.2020 after the continuous protest from NGO, the case was transferred to the CBI.

CBI officer Ms. Hella started an investigation. During her investigation she examined many people and submitted a detailed report, which was considered by Court of Session;

NATIONAL MOOT COURT COMPETITION, 2023

1. Calvin was suffering from a mental disorder, he got violent on petty issues. He uses to torture Anny many times even severely. Calvin's Doctor had also confirmed the fact.
2. The watchmen of Calvin's house told that on the night of 17.9.2020, there was a party going on in the house of Calvin in which 4 male friends of Calvin and Anny were present. And he also told that many girls use to come to the house but Anny use to come frequently.
3. Anny's sister Banny had told that in starting Anny was very happy but later on Calvin started to torture her badly, he was also dating some other girls. Two days before her death, she called me and said, "I want to leave Calvin, he is a bad guy".

Court of Session after hearing the matter found Calvin guilty of rape and murder under sections 376 and 302 of Montana Penal Code and awarded the death penalty.

An appeal was filed before the High Court on 15.9.2022. High Court after the hearing changed the judgement and on the ground of insanity acquitted Calvin.

Now an appeal has been filed before the Supreme court of Montana against the judgement of the High Court and the appeal is listed for hearing on 15.4.2023.

Legal Issues; (these two are a must and the third issue will be the choice of parties)

1. Whether insanity can be a ground of defense under rape and murder of a minor?
2. Whether the confession made in Police Custody is a substantial piece of evidence or not?

Note;

1. Participants are requested to argue on the side of the Petitioner as well as on the side of the Respondents before the "Hon'ble Supreme Court of Montana" about the above case and further elucidate the arguments with appropriate case laws and inputs.
2. The laws of Montana are pari material with laws of the India. The Hon'ble Supreme Court of Montana considers the leading common law precedents as being highly persuasive. Hence, all the relevant ancient, and modern, texts of Indian laws may be referred to for arguing the case.
3. This Moot Problem has been formulated solely for this competition for furthering the academic exercise only.
